

Peri-Peri Peppadrops

Pickled Piquante Peppers

Sweet
yet Spicy

Peri-Peri Peppadrops are piquante peppers, lightly spiced with a peri-peri spice and vinegar.

They are not too sweet and not too spicy.

Peri-Peri Peppadrops

Pickled Piquante Peppers

Not too sweet and not too spicy

Peri-Peri Peppadrops are piquante peppers pickled using a secret recipe that incorporates the African peri-peri spice. Peri-Peri Peppadrops offer consumers an entirely new flavor to enjoy. Sweet and spicy, they add a new dimension when included in fresh salads, salsas and dressings.

Satisfy your consumer's taste for something different with Peri-Peri Peppadrops!

- Bright red and bite-sized, they add color to any meal
- Ideal with sandwiches and salads
- Great stuffed with cheese as an appetizer
- Zingy and mild as a pizza topping

Ethnic dining is now mainstream according to CulinarySchools.com.

In American supermarkets "specialty food" products are no longer isolated in sections unto themselves; instead they can be found integrated with their commercial counterparts on grocery store shelves.
